

Welcome to the *SUPERPOWERED*<sup>SM</sup> season!  
Here is some information to help you get started!

*FIRST*<sup>®</sup> LEGO League Explore is one of three divisions by age group of the *FIRST*<sup>®</sup> LEGO League program. This program inspires young people to experiment and grow their confidence, critical thinking, and design skills through hands-on learning. *FIRST* LEGO League was created through an alliance between *FIRST* and LEGO<sup>®</sup> Education.

This year's *FIRST*<sup>®</sup> *ENERGIZE*<sup>SM</sup> season is presented by Qualcomm. The *FIRST* LEGO League challenge is called *SUPERPOWERED*<sup>SM</sup>. Children will learn about different types of energy sources, storage, distribution methods, and ways in which energy is consumed.

**You will receive the following items for your *FIRST* LEGO League Explore Season:**

- Explore Set**
- Team Meeting Guide**
- Engineering Notebooks**

Read the *Team Meeting Guide* and *Engineering Notebook* to gain an understanding of the season and what you will need to prepare.

You will need computers or devices with **LEGO<sup>®</sup> Education SPIKE™ Essential or WeDo 2.0 set** and software downloaded from the [LEGO<sup>®</sup> Education website](#).

### Challenge Information

Visit our program resources page [here](#) for:

- Season videos
- Building instructions
- Multimedia resources
- Certificates

End your season with a celebration where your team shares what they have done! Check with your local partner for festival options as well as registration requirements and fees.

If you are participating in our Class Pack option, check out the **Class Pack Guide**, which you should have received access to when you registered.

**Good luck and have fun!**
